

How to Get to Test Monitoring in Galileo

If you would like to monitor your students while they are taking the Galileo test, please follow these instructions.

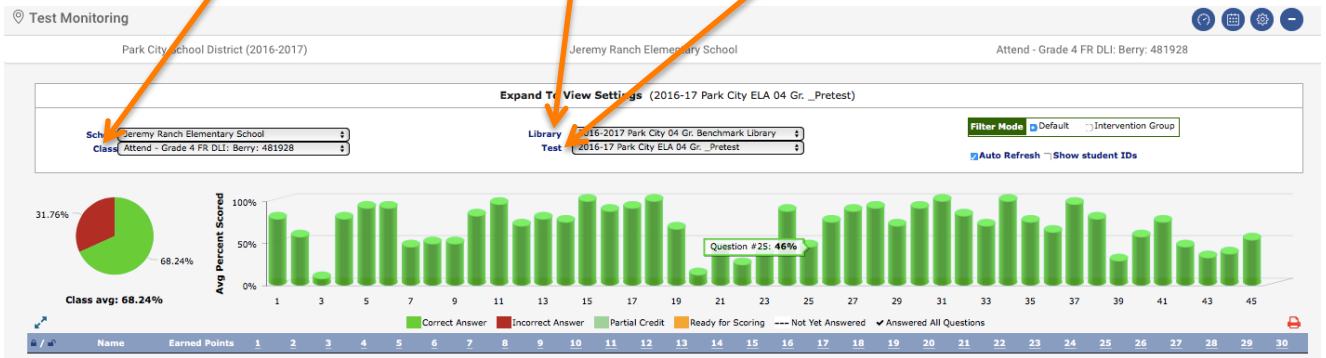

To get to the Galileo Teacher login: **JRES website – Faculty – Teacher Links – Testing - Galileo**

After logging in to Galileo go to **Reports – Monitoring – Test Monitoring**

Enter your **Class** name – Grade level **Library** and the **Test** that the students are taking

Below this grey line will be a list of your students and how they answered each Question on the test. Use this to monitor students that may take the test to quickly or go to slow.
